

Why study for a Postgraduate Teaching Apprenticeship?

In-school and online apprenticeship

Primary and secondary school phase

Supported by experienced pathway tutors

Increase earning potential once qualified

Use the national apprenticeship levy to fund up to 100%* of the apprenticeship

Gain QTS and a Level 6 Teaching Apprenticeship

Optional PGCE can be incorporated

A national ITT provider delivering apprenticeships throughout England

Successfully re-accredited by DfE for 2024

*If your school doesn't pay the levy, the government will pay 95% of your fees, with your school contributing just 5%, which is £450.

Looking to gain QTS in your own school?
