

Welcome to Welwyn St Mary's C of E (VA) Primary School

Believe and Achieve

Thank you for showing an interest in joining the staff at Welwyn St Mary's

On joining our school, you become part of a friendly and welcoming community, where we develop a love of learning in our pupils and adults alike. Visits are warmly welcomed and, in fact, are very much encouraged, so that you have the opportunity to meet our friendly, polite children and understand what makes our school so special for them.

Academic standards are high at our school, and we are passionate about children's learning. We aim to provide a stimulating and caring Christian environment, in which children can gain in experience and understanding, and develop to the full their own talents and abilities within the tenets of the Christian faith.

Our pupils are polite, well behaved and have excellent attitudes to learning. Our caring staff team work closely together to create a safe and stimulating learning environment, which makes learning fun for all. Our parents are fully involved in and proud of our school, which forms an integral part of our caring and welcoming village community.

Children here can access many opportunities, including extensive musical opportunities, French and a wide range of sporting activities, including over 60 inter-school sporting events a year. We give all children the chance to flourish and a means to demonstrate and celebrate their own unique talents, whatever they may be.

Offering something extremely special to our children and families, we would be glad to welcome you to Welwyn St Mary's Primary School.

We hope that together with the website (www.welwynst-marys.herts.sch.uk) and other documentation you will be able to get an understanding of the vision and values of our school.

School Vision: “Believe and Achieve”

Taken from the inspiration of Matthew 19 in the Bible:

Our vision ‘**Believe and Achieve**’ is to inspire us all to **be the best we can be**, by believing in ourselves, each other and in the teachings of Jesus.

- Believing in ourselves will give us the confidence to succeed
- Believing in each other will empower others to do their best
- And by following the teaching of Jesus, it shows that His teaching drives all aspects of school life

What are we looking for?

We are looking for teachers and support staff to join our team who aspire to be outstanding in the classroom and around the school, have an enthusiasm for learning and a commitment to quality education and creativity. They should be in sympathy with our Christian ethos and believe and live by Christian principles. Specific responsibilities can be found in the job description.

How would we support you?

- A friendly and supportive staff
- Extremely well-behaved and enthusiastic children
- Good opportunities for professional development
- A well-resourced school in beautiful village surroundings!
