Dear Applicant

Thank you for your interest in our school.

I am delighted that you are considering applying for the post of Subject Leader – PSHE and Citizenship at Haileybury Turnford. This is a full-time post within the Humanities Faculty which offers a wide range of subjects to students across all Key Stages.

Haileybury Turnford is a great school to work at and this is an exceptional opportunity for the successful candidate to make a real difference to our students and provide them with the best possible life chances. This role will provide an excellent opportunity for a colleague to develop their leadership experience further in a very supportive environment, with excellent professional development available. Staff wellbeing is also very important to us.

We are a school on the up and were rated ‘Good’ by Ofsted in March 2022

It is an exciting time for our school. We continue to make real improvements for our students. I have been Principal at Haileybury Turnford since September 2016 and we are in the process of transforming ourselves into an exceptional school. We are focusing strongly on the quality of teaching and learning in the school, and providing the best possible personal development for our students, alongside high-quality professional development for all of our team. Our Humanities team moved into brand new accommodation in September 2021 and we are working with the Department for Education to re-build the rest of our school over the coming three years.

PSHE and Citizenship is very important for our students, and sits within a growing faculty at Haileybury Turnford

We have strong teaching and good student attitudes to their learning. If you join us, you will join a very well led, cohesive and supportive faculty led by the Faculty Leader and other Subject Leaders, and a fully staffed specialist team. The faculty teach a wide range of subjects to students in addition to PSHE and Citizenship, and there would be opportunities to teach a second subject depending on the expertise and experience of the successful applicant.

Opportunities through our sponsor, Haileybury

The school has been sponsored by Haileybury, the leading co-educational independent school, since September 2015. This partnership has provided us with new opportunities for our students and strong strategic direction through its governing body.
