

Welcome from Haileybury Turnford

Robin Newman, Principal

On behalf of Haileybury Turnford we would like to thank you for taking an interest in applying for a role at our school. This is an exciting time to join the team following our Ofsted inspection in March 2022 when we were rated Good in all categories. We are making a real difference to the lives of our students as we continue to rapidly improve. We also have new state-of-the-art buildings in the pipeline too to provide a first class learning environment for our community.

“Pupils love the fact that their school is friendly and welcoming. They say that it is a school where they can be themselves. This is because it is a very tolerant community. Pupils feel very safe.”

“The school helps pupils to become better citizens. Teachers support pupil well, but pupils also support each other.”

“Leaders have brought improvements to many areas of the school since the previous inspection, including behaviour and the curriculum. Parents are very appreciative of the way the school has changed.”

“The school is a calm and orderly environment.” [Ofsted, 2022]
