

Central Primary School

Our mission statement: Every Child is Central

Headteacher: Sabrina Wright

March 2025

Dear potential candidate,

Thank you for expressing an interest in the position of EYFS phase leader and member of the senior leadership team at our wonderful primary school. I started as Deputy Headteacher at Central Primary School in September 2021 and have been in post as the Headteacher since April 2023. We are on an exciting journey to ensure the very best for our children.

Since joining Central in 2021, I have always been very impressed with the caring, collaborative approach that is taken here. We are a school that believes every child in our care should be known, valued, understood, supported and challenged. With this in mind, authentic relationships, inclusion and an aspirational approach is at the heart of what we do. The school's principles of kindness, persistence, curiosity, forgiveness and hope are the basis for the curriculum. The curriculum is clearly sequenced and represents our diverse community.

Your professional development is as important as your wellbeing. The potential you have and your desire to develop, to be challenged, to work collaboratively and to continually explore your own practice, are very important to us. As a member of our team, we would work with you to enhance your teaching as well as the children's learning. Our view is that everyone can always improve, and while we celebrate individuals' strengths we are always seeking to learn and develop our practice so that everyone can be even better. Teachers receive additional Planning, Preparation and Assessment (PPA) time to complete their work.

As a new member of the team, you will have a mentor and coaching will be available. We regularly ask for staff's feedback and address this accordingly.

I would strongly encourage you to visit or phone the school and speak or meet myself or the Deputy Headteacher, Amy Bond, to find out more about the role.

Best wishes,

Sabrina Wright
Headteacher
