## 1. Introduction

This Code of Conduct is designed to give clear guidance on the standards of behaviour that all school employees and those acting on behalf of the school are expected to observe. All staff are role models, and are in a unique position of influence, and must adhere to behaviour that sets a good example to all the pupils within the school.

This Code of Conduct applies to all employees of the school. This policy does not form part of any employee's contract of employment, and it may be amended at any time.

In addition to this Code of Conduct, all employees engaged to work under Teachers' Terms and Conditions of Employment are required to adhere to the 'Teachers' Standards 2012', in particular relation to this policy, Part 2 of the Teachers' Standards - Personal and Professional Conduct.

This Code helps all staff to understand what behaviour is and is not acceptable, and regard should also be given to the disciplinary rules set out in the school's Disciplinary Policy.

Staff should be aware that a failure to comply with the Code of Conduct could result in disciplinary action including but not limited to dismissal.

Where this policy requires an employee to disclose matters from their personal life the school will consider the circumstances and context of each matter before determining whether any further action is required.

## 2. Principles

All staff are expected to familiarise themselves and comply with all school policies and procedures.

Staff must not undermine fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs

All staff must attend work in accordance with their contract of employment and associated terms and conditions in relation to hours, days of work and holidays.

### 2.1. Setting an Example

All staff set examples of behaviour and conduct which can be copied by pupils. Therefore, all staff must:

- avoid using inappropriate or offensive language at all times
- demonstrate high standards of conduct in order to encourage our pupils to do the same
- avoid putting themselves at risk of allegations of abusive or unprofessional conduct.

## 3. Safeguarding Pupils

Staff have a duty to have regard to Keeping Children Safe in Education throughout their employment and abide by the duties placed upon them within this

Staff have a duty to safeguard pupils from physical abuse, sexual abuse, emotional abuse and neglect

The duty to safeguard pupils includes the duty to report concerns about a pupil or colleague to the school's Designated Safeguarding Lead (DSL).

The school's DSL is Helen Ackerman.

The Deputy DSLs are Lucy Parker, Steven Musk, Anna Denton and Sophie Ford.

Staff have access to the Child Protection Policy and Whistleblowing Procedure which may be found on the staff Shared Drive and Policy folder in main school office and staff must be familiar with these documents.

Staff should treat pupils with respect and dignity and must not seriously demean or undermine pupils, their parents or carers, or colleagues.

Staff should not demonstrate behaviours that may be perceived as sarcasm, making jokes at the expense of pupils, embarrassing or humiliating pupils, discriminating against or favouring pupils.

Staff must take reasonable care of pupils under their supervision with the aim of ensuring their safety and welfare.

Staff should be aware that the management of any safeguarding concerns is dealt with in accordance with the latest statutory guidance as detailed in Keeping Children Safe in Education and includes any allegations that meet the harm test and also allegations considered to be low level concerns. (i.e. those which do not meet the harm test).

### **3.1. Low Level Concerns**

The term 'low-level' concern does not mean that it is insignificant, it means that the behaviour towards a child does not meet the harm test threshold.

A low-level concern is any concern that an adult working in or on behalf of the school may have acted in a way that:

- is inconsistent with the staff code of conduct, including inappropriate conduct outside of work;
- does not meet the allegations threshold or is otherwise not considered serious enough to consider a referral to the LADO.

Examples of such behaviour could include, but are not limited to:

- being over friendly with children;
- having favourites;
- taking photographs of children on their mobile phone;
- engaging with a child on a one-to-one basis in a secluded area or behind a closed door; or,
- using inappropriate sexualised, intimidating or offensive language.

## **4. Relationships**

Staff must declare any relationships that they may have with pupils, staff, clients, contractors, suppliers or parents outside of school. This may include mutual membership of social groups, tutoring, or family connections.

Existing or new personal relationships at work between colleagues should be declared to the Headteacher where there is a potential for this to impact upon the work of either (for example: a risk of allegations of bias or conflict of interest). The Headteacher will treat declarations in confidence in accordance with the Relationships at Work Policy which may be found on the staff Shared Drive and Policy folder in main school office.

Staff should not assume that the school are aware of any such connections and should use Appendix 2 and/or 3 to make a declaration.

### **4.1. Relationships with pupils**

Relationships with pupils must be professional at all times. Physical relationships with pupils are not permitted and may lead to a criminal conviction.

Encouraging a relationship to develop in a way which may lead to a sexual relationship or any other inappropriate relationship will be viewed as a grave breach of trust.

Contact with parents must be via school-authorized mechanisms and solely for educational purposes. At no time should a personal telephone number, text, email addresses or communication routes via personal accounts on social media platforms be used to communicate with parents.

If contacted by a pupil by an inappropriate route, staff should report the contact to Headteacher immediately.

Behaviour giving rise to concern should also be reported which includes pupils seeking affection, being sexually provocative or exhibiting overly familiar behaviour.

## **5. Pupil Development**

Staff must comply with all school policies and procedures that support the wellbeing and development of pupils.

Staff must co-operate and collaborate with colleagues and with external agencies where necessary to support the development of pupils.

Staff must follow reasonable instructions that support the development of pupils.

## **6. Honesty and Integrity**

Staff must maintain high standards of honesty and integrity in their work. This includes the handling and claiming of money and the use of school property and facilities.

All staff must comply with the Bribery Act 2010. A person may be found guilty of an offence of bribery under this act if they

- offer, promise or give financial advantage or other advantage to someone
- if they request, agree or accept, or receive a bribe from another person.

If you believe that a person has failed to comply with the Bribery Act, you should refer to the school's Whistleblowing procedure which may be found on the staff Shared Drive and Policy folder in main school office.

Gifts from suppliers or associates of the school must be declared to the Headteacher, with the exception of "one off" token gifts from pupils or parents.

Personal gifts from individual members of staff to pupils are inappropriate and could be misinterpreted and may lead to disciplinary action.

Staff must not act on behalf of the school unless they have the authority to do so.

Professional references from the school will be provided by the Headteacher. References or endorsements on social media given by other members of staff must be clear that they are provided in a personal capacity.

## **7. Conduct outside of Work**

Staff must not engage in conduct outside work which could seriously damage the reputation of the school or the employee's own reputation or the reputation of other members of the school community.

In accordance with Keeping Children Safe in Education, any conduct or behaviour that indicates an employee may not be suitable to work with children including such behaviour outside of the workplace which may or may not involve children is likely to be regarded as unacceptable.

For example, should a member of staff be involved in domestic violence at home and no children were involved, the school will need to consider what triggered these actions and question whether a child in the school could trigger the same reaction, therefore be put at risk

In addition, criminal offences that involve violence or possession or use of illegal drugs or sexual misconduct are likely to be regarded as unacceptable where it brings into question an employee's suitability or ability to do their role/work in an educational setting.

Staff may undertake work outside the school, either paid or voluntary, provided that it does not conflict with the interests of the school nor be to a level which may contravene the working time regulations or affect an individual's work performance in the school. It is recommended that permission is sought in advance:

- Staff must disclose any work outside the school or outside business interests where there is a potential conflict of interests with their employment at the school.
- If any allegation of wrongdoing occurs in a staff member's work outside the school (whether or not they deny this) which may have a bearing on their employment they must disclose this immediately to the Headteacher or their Line Manager.

Forming inappropriate relationships or friendships with children or young people who are pupils under the age of 18 at another school/college will be viewed as inappropriate and impact upon the school's ability to trust the member of staff to maintain professional boundaries with pupils at the school.

Any work-related social event is considered to be an extension of the workplace and as such the standards of behaviour expected at these events is in line with this policy.

## **8. E-Safety and Internet Use**

Staff must exercise caution at all times both inside and outside of work when using information technology. Staff should be aware of the risks to themselves and others. Regard should be given to the Online Safety Policy and Acceptable User Agreements, which may be found on the staff Shared Drive and Policy folder in main school office.

Staff must not engage in inappropriate use of social media sites which may bring themselves, the school, school community or employer into disrepute. Staff should ensure that they adopt suitably high security settings on any personal profiles they may have.

Staff should exercise caution in their use of all social media use. This includes creating, endorsing, liking, posting, retweeting, sharing direct messaging or sending any statements, photo's, videos, audios or messages. This also includes speaking and/or lip syncing to other creators' content and any music used.

Photographs or video footage of pupils should only be taken using school equipment, for purposes authorised by the school. Any such use should always be transparent and only occur where parental consent has been given. The resultant files from such recording or taking of photographs must be stored in accordance with the school's procedures on school equipment.

Further details on this can be found in the Online Safety Policy and Acceptable User Agreements, and social media Policy which may be found on the staff Shared Drive and Policy folder in main school office.

## **9. Confidentiality**

Where staff have access to confidential information about pupils or their parents or carers, staff must not reveal such information except to those colleagues who have a professional role in relation to the pupil.

All staff may at some point witness actions or events which need to be confidential.

For example, where a pupil is bullied by another pupil (or by a member of staff), once reported through the appropriate school procedure, it must not be discussed outside the school, including with other staff, pupils, parents or carers, or in the school except with the appropriate member of staff to deal with the matter.

Staff have an obligation to share with the school's Designated Safeguarding Lead any information which gives rise to concern about the safety or welfare of a pupil. Staff must not promise a pupil that they will not act on information that they are told by the pupil.

Staff are not allowed to make any comment to the media about the school, its performance, governance, pupils or parents without written approval. Any media queries should be directed to the Headteacher.

## **10. Dress and Appearance**

All staff must dress in a manner that is appropriate to their role and promote a professional image, not casual wear.

Staff should dress in a manner that is absent from political or other contentious slogans. If clothing has wording or pictures on it, this should not be offensive. Footwear should not pose a health and safety risk.

Where employees are transitioning to live in the gender with which they identify, the school will apply and adapt this code sensitively and flexibly.

The school understand that there may be circumstances that make it difficult for some employees to follow a code (for example, if an employee has a disability or is experiencing certain menopausal symptoms). If this is the case, the school will discuss with the employee how we can support the employee and make reasonable adjustments where possible.

The school has the final say on whether clothing and appearance is appropriate.

## **11. Compliance**
