Clore Shalom School Assistant Head Teaching and Learning

Clore Shalom school is looking for an inspirational and committed teacher to lead on taking the quality of our teaching and learning to the next level. This is a senior leadership position for an experienced teacher. We are a family-oriented school with high academic standards which we achieve by building close relationships with a gentle approach. We pride ourselves on working with the whole child. If you would like to be part of our unique, warm and flourishing community, please feel free to contact us for a tour or a conversation.

Job description

We are looking for an inspirational teacher to play a key part in ensuring the best possible quality of education for our pupils. You will use your wealth of knowledge and expertise in teaching and learning to work collaboratively with our teachers and TAs to help develop teachers to become exemplary classroom practitioners. You will lead a key subject area and help support the development of our other subject leaders.

The role involves coaching and mentoring, team teaching classes, modelling best practice, assisting in the recruitment and selection of outstanding teachers, supporting ECTs, developing policies and delivering CPD to staff. The senior teacher will also engage in the monitoring of the effectiveness of teaching and learning alongside SLT.

This is a senior leadership position. The Senior Teacher will be class based, with time available to carry out their leadership duties.

Key Tasks and Responsibilities:

- The senior teacher will be responsible for fostering an ethos of continuous improvement to ensure all children experience high quality teaching and learning.
- To be research focussed and promote a culture of excellence in teaching and learning, ensuring staff have access to up-to-date knowledge and thinking in respect of the latest teaching and learning strategies.
- To support the effective development and monitoring of the quality of teaching and learning across the school.
- To support the development of our CPD programme for teachers.
- Work alongside SLT to ensure that our school is an inspirational institution, which sets the highest standards through the ethos of continuous quality improvement.
- Work collaboratively with SLT to deliver our targets and priorities as outlined in the School Development Plan.
- Manage the quality assurance of teaching, learning and assessment to ensure continuous improvement and a positive and dynamic learning culture permeates our school
- Through proactive data monitoring and analysis, identify and implement improvements in teaching and learning outcomes.
- To ensure that development priorities are identified and actioned, providing CPD to support teaching and learning priorities.
- Work to support and advise teachers on all matters regarding teaching and learning to develop and maintain the quality of teaching and learning in school.
