Could you be our next superhero?

We need some superhero governors who are interested in influencing the future of young people!

Call us on 01442 262341 or email admin@limewalk.herts.sch.uk

You do not need an in-depth knowledge of education, just the time and desire to contribute positively.

As part of your role, you will work with our schools' senior leaders to set the culture, values and budgets.

Through monitoring and supportive challenge, you will make a real and noticeable difference to the children, their families and the broader community of Lime Walk Primary School.

Your skills and work place knowledge have the potential to influence the future of young people.

Governors make decisions on the strategic direction of the school, set strategic goals and assess the progress being made towards those targets.

It's challenging work but very rewarding!
