GENERATIONS MULTI ACADEMY TRUST

HR Officer

Required for August 2024

Salary: H6-H7 (Full-Time Equivalent: £28,322 - £33,064pa) depending on skills and experience

29.5 hours per week, all-year

The exact working pattern is to be agreed with the successful candidate but will need to include working on a Friday

In this varied role you will apply your professional expertise on a range of employee case work in an organisation where people are at the heart of our values, processes and ambitions.

You will have the opportunity to apply your skills across the spectrum of HR practice, from absence management, to disciplinary investigations, family leave and performance management. The HR Team are also responsible for the payroll function, policy development and championing wellbeing so you will have the opportunity to gain experience in these areas to develop into a true HR generalist.

The successful candidate will have experience in an HR advisory role and will be comfortable taking their own initiative to work in a proactive and empathetic way. You will either already have a CIPD qualification or will be working towards your Level 5 in HR Management.

In return, we can offer you:

- expert mentoring from within the HR team
- the opportunity to work with professional, committed and ambitious colleagues in a genuinely collaborative working environment
- highly aspirant schools, with engaged students
- a comprehensive staff benefits package

If you are interested in this exciting role, please contact the HR Team at hr@generationsmat.herts.sch.uk for the full recruitment pack and application form

Closing date for applications: 31st July 2024
Interviews will be held: w/c 12th August 2024

The Trust reserves the right to process applications as they are received and early applications are encouraged.

Generations Multi Academy Trust is committed to the safeguarding and welfare of children and applicants must be willing to undergo child protection screening appropriate to this post, including checks with past employers and the Disclosure and Barring Service.

Please note that this role 'exempt' from the Rehabilitation of Offenders Act 1974 and therefore, you are required to declare any convictions, cautions, reprimands and final warnings that are not 'protected' (i.e. filtered out) as defined by the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (as amended in 2013). Further information is available on the school's website.

A WELCOME FROM THE PEOPLE DIRECTOR

Thank you for your interest in the HR Officer position at the Generations Multi Academy Trust (GMAT).

This information pack has been created to share with you some key information about life at the Trust and the role of the HR department.

GMAT is based in Cheshunt in Hertfordshire and currently has two secondaries and one primary school. We also have an independently run Nursery provision on one of our sites. We currently support around 2,620 students and 365 members of staff across our three schools. The Trust will imminently be expanding with the addition of a second local primary school who are due to join GMAT from 1st September 2024.

Lisa Cardinali, People Director

Partnership is at the heart of all our work, founded in a core commitment to there being *no set destiny for any child, regardless of their starting point*, and work across the Trust focuses directly on this as our shared aim.

All of the schools are within close proximity of each other and benefit from a fully centralised suite of services encompassing Finance, Human Resources, ICT, Facilities, Data and Income Generation, all of which provide dedicated, professional support to each of our schools and their senior teams.

The theme of partnership is reflected in the relationships that every member of the HR team has built with the school communities; we work as trusted advisers on employment-related matters to leadership, managers and employees. At the heart of our role is the provision of advice on the whole range of employee relations issues. The HR Team is also responsible for recruitment, management of the payroll function and championing the Trust's wellbeing programme. Within an education setting, safeguarding is of paramount importance with the HR Team playing a key role on the application of Safer Recruitment and Keeping Children Safe in Education principles.

As our new HR Officer, you will have the opportunity to be involved in the full range of the HR Team's work, applying your current expertise on case work and developing your skills in areas where you, perhaps, haven't had as much exposure to date. We are a genuinely supportive team, helping each other through those inevitable peaks and troughs of life in a HR department.

Below you can see the key areas of the HR Team's focus alongside our core values, neatly encapsulated under the HR Team's Mission Statement. All the HR team had a role to play in creating this statement and I am proud to have captured input from every member in creating this true embodiment of team-working.

The HR Team's Mission Statement

The Trust's Vision:			
<p>To provide outstanding education for all students</p> <p><i>Support functions will focus on:</i> The service provider model Professionalisation of service provision Schools as clients</p>	<p>To grow large enough to reap the benefits of centralised services</p> <p><i>Support functions will focus on:</i> Leveraging further economies of scale</p>	<p>To grow to include a blend of primary and secondary schools</p> <p><i>Support functions will focus on:</i> Supporting growth aspirations Scalability</p>	<p>To encourage innovation, firmly focused on maximising the monies available to schools and staff</p> <p><i>Support functions will focus on:</i> New income streams</p>

Prospective candidates are welcome to meet with me, either in person or on the telephone for an informal discussion. To do so, please email me directly at LCA@generationsmat.herts.sch.uk to arrange a suitable time.

Thank you again for your interest.

Lisa Cardinali
People Director

**INFORMATION ABOUT THE
GENERATIONS MULTI
ACADEMY TRUST**

Information about the Generations Multi Academy Trust

Welcome to our information pack about the Generations Multi Academy Trust and its current three schools, Goffs, Goffs-Churchgate and Flamstead End School. Generations MAT, GMAT, was established from 1st September 2016. Subsequently, the Trust took over the former Cheshunt School and established Goffs-Churchgate Academy, which is now a thriving secondary, with Flamstead End School joining GMAT on 1st January 2023. We are delighted that Andrews Lane School will join us from 1st September 2024, bringing our

family of schools to two secondaries and two primaries. This post offers a genuine opportunity to work in a school community that changes the lives of the young people we care for.

Both secondaries enjoy extremely high levels of Year 6 applications, with both being fully over-subscribed. Flamstead End primary is another highly successful, thriving and nurturing community, rated “outstanding” by Ofsted. All of the schools are within close proximity of each other and share many activities, including CPD for staff. One of the Trust’s fundamental principles is that no one school is in any way more important or successful than the other. As such, CPD and other events are rotated through all schools in the Trust, with everyone learning from and sharing with each other. This collegiate and collaborative approach permeates our Trust.

From Spring 2023, the MAT opened nursery provision on the Goffs-Churchgate site, with subsidised and term-time only places for staff. The nursery is run by Ashbourne Nurseries - <https://ashbournedaynurseries.com/>

The MAT is extremely clear about its daily purpose, reflected in its motto of “No Set Destiny for Any Child.” All of our schools, leaders and staff fiercely believe in the life-changing nature of education and work tirelessly to that end, day in and day out. There is no set destiny for any of the children in our care; rather, our daily work across the piece allows children to forge new futures and destinies.

The MAT is financially secure. Finances are overseen by a Chief Finance Officer with considerable financial expertise in the private sector, plus a highly experienced Finance Manager. The Trust deliberately created an Income Generation function, and extensive lettings and business development work now takes place across all sites in the MAT. This additional income – now yielding in excess of £500k per annum – underpins generous levels of staffing at both schools, plus many “extras” that would otherwise be unaffordable in the current funding climate. As one example, all teacher loadings were reduced from 19/20 as a direct result of the additional monies coming into the Trust via this income generation work.

Further information about GMAT can be found here: <https://generationsmat.com/>

Goffs is a mixed 11-18 comprehensive Academy with approximately 1,600 students on roll, including a thriving and successful Sixth Form. The school is extremely popular in the local area, with an average of over 800 applications annually for the 240 places available, and significant waiting lists for places across the year groups. On intake, students are of an ability level (KS2 APS) significantly above that of the national average although the school is a true comprehensive school and admits a good mix of students of all ability levels.

Goffs-Churchgate is a fully mixed comprehensive school from 11-16 years of age, with 605 on roll. Recognising that not all children thrive in large secondary schools, the Trust made a deliberate decision to offer both a larger and much smaller secondary school for local parents to choose between. As such, the decision to cap student numbers at 600 is entirely deliberate, enabling us to maintain a strong sense of community where everybody knows everybody. The school rapidly established a very strong reputation in the area, and is now consistently oversubscribed. In May 2022, we were delighted to have Ofsted grade the school as “good” with outstanding features.

Flamstead End School is a thriving primary school in Cheshunt with approximately 485 children on roll. It has a Preschool, 60-place nursery offering 30 hours provision and two classes per year group from Reception to Year 6. The school has high expectations around achievement and behaviour and is ambitious for pupils. Flamstead End is a 'Therapeutic Thinking' school and seeks to understand and support children's behaviour so that they are able to learn and achieve to the best of their ability. The school is

a tight knit community, with a well-established staff who care for one another and the children in their charge.

Professional Working and Learning Environment

Goffs was among those named as part of a £2billion Government scheme, the Priority Schools Building Programme. As a result, Goffs received a completely new build and facilities, and moved into them in January 2017. The school has further invested in an additional new building, which opened in April 2022, which includes 8 brand-new classrooms, as well as a state-of-the-art fitness centre run by Lifestyle Fitness, with whom we work in close partnership.

This significant investment of funds by the Department for Education is a further recognition of the outstanding work being undertaken by the school, and represents another fantastic opportunity for our community. Our school building provides a light, modern, professional and fit for purpose working environment for all.

Goffs-Churchgate has benefited from brand new facilities, opened in October 2016, including professional teaching and learning facilities for all subjects. The school also benefits from a recently installed 3G playing surface for PE; a gym with a professional sprung floor; a Dance Studio; recent refurbishment of additional classrooms and an indoor swimming pool. The new facilities provide a light, modern, professional, and fit for purpose working environment for all. The Trust has also

invested significantly in modernising additional teaching spaces, providing a fantastic environment for our students and staff

Outcomes

Our strategy for continuous school improvement has had huge success and we are actively committed to ensuring that our very popular and successful school, plus the wider MAT, continues as a centre of excellence in the community.

Exam results in 2023 were another year of huge success for **Goffs**. GCSE highlights include:

- Student progress outcomes which remain above national average
- 75% of students achieved grade 4 or more in English and Maths and 55% achieved 5 or more in both
- English grade 4/5 or more: 77%/64%
- Maths grade 4/5 or more: 80%/61%
- Percentage of grade 7 or more in all subjects: 29%

Crucially, students were well supported in progressing onto a range of exciting destinations. The majority of Year 11 students have continued their studies in the Sixth Form at Goffs, with all others securing a place in further education or training. 65% of Year 13 students secured a university or college place to start in autumn 2023.

At A Level, continuing the upward trend of recent years, students achieved another excellent set of exam results, including an overall 100% pass rate. The wide range of university or further education courses onto which students have progressed include Law, History, Geography, Maths, Finance, Physics and Biomedical Science, whilst many other students progressed directly into employment or apprenticeships. Our Sixth Form has an excellent reputation in the local area, over the past three years the numbers of students applying to join our Sixth Form has continued to increase, such that we now have approximately 400 Sixth Formers within our school community.

We are, of course, very proud of these outcomes. Equally, we are clear that they reflect the start of our journey, not the end. As such, we target set in the top 10% of all schools nationally and strive at all times to meet ambitious targets. We are committed to a cycle of continuous improvement and aspiration and are keen to appoint a colleague who shares that vision, determination and a restless quest for even higher outcomes. All of these factors combine to make Goffs a very exciting and rewarding community to be a part of.

Goffs-Churchgate secured an impressive set of GCSE outcomes in 2023. For the third successive year of published performance measures, the score achieved outstanding progress measures which are significantly above National Averages (2023 +0.32, 2022 +0.47, 2019 +0.47).

- The overall P8 of 0.32, remains significantly above the national average
- The outcomes across all the headline measures are comfortably above the national average
- English and Maths progress scores, continue to be comfortably above the national average
- The outcomes in the 'other' element are very strong, and significantly above the national average, with an overall P8 score of 0.62
- Male outcomes are significantly above the national average, and above female outcomes. This is in contrast to the national trend where an achievement gap of around 0.50 remains with Females outperforming Males
- SEND outcomes are significantly above the national average and comparable to non-SEN.
- The combined pass rate for English and Maths at grade 4+ was 62%
- The proportion of students who achieved English and Maths at grade 5+ was 45%, a 28% increase in the last three years

To achieve such fabulous progress in such a short period of time, is testament to the school's staff and students. We know that this success represents just the start of their journey, and that very exciting times lie ahead.

In our primary setting, at **Flamstead End**, we were pleased with the improvements to outcomes made in the first two terms working with the school; we saw a significant improvement in a short amount of time. We are highly ambitious for stronger outcomes in July 2024 are pleased with progress to date.

Outcomes in 2023 included:

- 12% increase (from 2022 to 2023) in pupils meeting a Good Level of Development in Early Years Foundation Stage
- Phonics in Year 1: 82%
- 20% improvement (from 2022 to 2023) in Maths Key Stage 2, achieving 83% in 2023
- Reading at Key Stage 2: 75%

Community

Our schools pride themselves on their sense of community – both within the school itself, and in the wider locality. Visitors to our schools unfailingly comment on a very real sense of community, coupled with warmth and pride. Our schools are members of Cheshunt Extended Services (ChExS), offering a

variety of extended school and community-based activities for both students and parents. Our students actively support local charity work such as the Isabel Hospice and maintain strong links with our local primary schools.

Goffs and Goffs-Churchgate also benefit from a thriving student leadership programme, with students leading on key development projects of their choice, ensuring strong student voice and participation across the Trust. We firmly believe in every student feeling a strong sense of community, and on entering each school, every student is placed in a House. Each House is led by a team of student House Captains and has a clear sense of identity. Regular competitions and assemblies strengthen this sense of community. Each year the House Captains decide on a possible group of charities to support, with students then voting for their chosen school charity and subsequently arranging a variety of fund raising events throughout the school year. Such work is indicative of the ability of students in the Trust to empathise with the needs of others, and further develops their capacity to work successfully in a variety of social settings.

We regularly bring visitors from the community into school to work with students and maintain strong links with our local secondary schools. Each school's facilities are used for evening and weekend lettings, including superb sporting facilities, as well as holiday classes, providing opportunities for a diverse range of users including the Greek School, and local dance and sports groups.

Across the Multi Academy Trust a large variety of annual school trips give students the opportunities to sample different cultures, whilst an extensive programme of off-site visits provides opportunities for students to experience the diversity that exists within the UK, including theatre, galleries and museum visits.

Our schools are proud to be truly community-based schools, with students and staff from different religions and a number of languages spoken in each school. As a Trust we recognize and celebrate what makes us unique and different, and acknowledge that we are also part of one community. Our aim is for everybody to feel valued and respected and we strive hard to ensure we create a positive culture within the schools to enable this to happen.

Care, Guidance and Support

Successful learning takes place when students feel safe, confident, respected and valued, and are engaged. The Trust believes in supporting and nurturing all students in their quest to become successful learners. As such, we place a high value on pastoral care as an integral part of school life.

We promote positive attitudes towards learning and provide a caring and supportive environment within our community. Continuously nurturing, supporting and developing our students is hugely important to us and significant investment is made in each school's pastoral structures.

Staff Development

The Trust has an extremely strong reputation for staff development both teaching and support staff. Developing the next generation of school leaders, both middle and senior, and future Headteachers for those who wish to pursue this, is a responsibility that we take very seriously.

We have a full suite of staff leadership development which staff can join be they an ECT or highly experienced colleague, whilst I chair the national Leadership Partner School network, a group that

brings together schools dedicated to developing outstanding leadership skills throughout their communities, and which allows us to visit other network schools, to attend national conferences and to share best practice.

In addition to innovative whole staff training days, we disaggregate a number of hours for training every year. This allows staff development to be highly personalised as staff can opt for the training which best meets their needs, including the opportunity to do a research project in partnership with Cambridge University. Many use their disaggregated time to coach others or to receive coaching. Moreover, there are specific training sessions for ECTs and other interested staff which run each week after school.

We also place a lot of emphasis on 'on the job' training and support. A thorough induction scheme is available to all new staff, and mentors/buddies are assigned to guide you through those new routines. Finally, external courses can of course be booked if, on very rare occasions, we cannot cater for a particular training need in house.

Leadership Development

The Trust's Leadership Academy encompasses both staff and student leadership development through a series of student led groups and staff leadership pathways. The staff programme specifically provides opportunities for:

- Aspiring Middle Leaders
- Aspiring Senior Leaders

All pathways are personalised for the individual and staff receive one to one support from a mentor alongside working on a whole school project. Both support staff and teaching staff are welcome to join the Leadership Academy at any point in their career.

A full suite of leadership training is offered with a range of sessions including:

- Communicating vision and values
- Developing your leadership approach
- Building a high performing team
- Supporting your team
- Leading your team day to day
- Quality assuring effective teaching
- Observation for improvement
- Using data for impact
- Fostering positive behaviour for learning
- Leading and managing innovation and change

Attendance to all training sessions leads to certification by the SSAT. In addition, we encourage aspirant Senior Leaders to take part in the SSAT 'Stepping Up to Senior Leadership' training

programme, which includes four external sessions throughout the year. As part of the Trust's commitment to developing future leaders, a number of the existing Senior Leadership Team across both secondary schools gained experience through an 'Associate' SLT position before gaining substantive leadership posts.

Trust Staff Benefits

Alongside our very strong focus on outstanding professional development and promotion opportunities, we also offer a range of benefits including the following.

Competitive base salary with a tailor-made development plan aimed at enhancing your future learnings] potential through:

- High quality, personalised CPD
- Bespoke leadership development programmes
- Subsidies for Masters and Degree courses
- Secondment and shadowing opportunities
- The potential to work across more than one school across the Trust to develop career-enhancing skills and knowledge

Further benefits:

- Supported Nursery provision with Ashbourne at any of their nurseries in the Buckinghamshire, Essex, Hertfordshire, Northamptonshire, and Bedfordshire area:
 - 15% discount for all Trust staff
 - Term time only places are available with a school day of 9.00am – 3.00pm
 - "Sundries," covering the cost of meals, snacks, nursery resources and consumables to be applied to a child taking up a funded only space (e.g. 30 hours funding only)
- Onsite car valeting at a reduced price
- Substantially discounted membership to Lifestyle Fitness's state of the art purpose-built gym at Goffs Academy
- Free tea and coffee for staff

Additional financial incentives including:

- Exam marker payment of £400 plus 2 days paid leave to do the marking (1st year)
- Payments for staff taking weekend sporting fixtures: staff paid £200 for leading a minimum of six Saturday fixtures plus 6 weekly training sessions
- A daily allowance of £50 for school trips taken over a weekend or any school holiday
- A £1,000 Employee Referral Scheme (i.e. finder's fee) for any qualifying positions that you refer the successful candidate for: £500 on the person starting and £500 if the person is still at the school 12 months later

We champion wellbeing and healthy working environments and have made a commitment, as shown on the following page, to all our staff.

Alison Garner
Chief Executive Officer
June 2024

Staff Wellbeing Commitment

Mental Health First Aid Team

We have trained Mental Health First Aiders across our staff body. They are available to listen and provide support with emotional and practical help, no matter how big or small your mental health need. Information on mental health awareness is regularly shared with staff.

Fitness facilities and classes

A discounted rate at Lifestyle Fitness situated in the Goffs Academy grounds. Weekly after-school yoga classes, available for all staff to attend.

Free flu jab

An annual flu jab is available every winter, free of charge.

Minimising emails

We have a strict policy that no emails should be sent before 7am or after 7pm and no emails should be sent at weekends. No all-staff emails are to be sent during 8.30am and 3pm unless in an emergency.

Two-week October half-term

Holidays are carefully planned throughout the year with a two-week October half term to allow term-time staff to rest and relax during the Autumn term. For all-year staff, holiday periods generally present a quieter working environment and some downtime. All-year staff can also compress their hours in holiday periods to enable an earlier finish.

CPD

All staff are encouraged to plan their professional development and the Trust actively supports such learning and development.

The Trustees and Senior Management will work closely together to ensure that we create a professional working environment that empowers our students and staff to flourish within a respectful, responsible and resilient community. Your wellbeing and positive mental health lies at the heart of this commitment.

Integration into our schools

All MAT staff are encouraged to spend time in our schools, getting to know the communities and working in partnership with them. You are invited to attend weekly staff briefing sessions to hear updates/key news items plus join in school events.

Employee assistance programme

A confidential, in-the-moment, 24/7 advice line that you and family members can access for support on a range of issues that could be affecting your home life, work life or general wellbeing. You may be referred for counselling sessions following your initial assessment. Our EAP provider also offers access to a host of wellbeing resources linked to fitness, meditation, personal development, mindfulness and nutrition alongside discount vouchers.

Dedicated staff spaces

MAT Staff are encouraged to use Churchgate's staff room. This offers some downtime away from the MAT Offices and the chance to build good relationships with colleagues. We are looking to make some aesthetic improvements to the MAT kitchenette area. A prayer room is available for quiet prayer and reflection. You can also take advantage of our extensive grounds and are encouraged to take a regular lunchbreak.

Community events

We seek opportunities to bring the school community together for events across the year.

Complimentary tea and coffee

Complimentary tea and coffee is available at all locations.

Recognition

Our schools have various opportunities to recognise achievements across our staff body and are encouraged to think about recognising MAT staff alongside school-based colleagues.

Open and honest communication

Regular staff surveys and working parties are held with a focus on work that is low impact for staff and high impact for students to ensure we can focus our time and efforts on creating the most positive impact.

Discounted onsite car valet

A high-quality valet regularly visits our schools to offer a convenient service at a discounted rate.

Cycle to work scheme

You can purchase a bike and associated equipment via a salary sacrifice arrangement which enables you to make savings whilst keeping fit and healthy.

Flexible working

Our Flexible Working Policy is available for staff to make applications to vary their working arrangements. Lots of our staff body work on a part-time basis to manage their worklife balance. Leaders are encouraged to take strategic time away from the school site. All-year MAT staff may be able to work from home in school holiday periods, where appropriate.

100% attendance award

You will be rewarded with a day's additional leave with the achievement of 100% attendance during an academic year.
