

## **1:1 Learning Support Assistant (LSA)**

Deadline: Wednesday 11th September 2024 at 9am

Shortlist: Wednesday 11th September 2024 at 9am

Interview: Friday 13th September 2024

### **Description**

Central Primary school is a grade two listed building in the heart of Watford. We have a high proportion of children on the Special Educational Needs (SEN) register as well as those who have English as an Additional Language (EAL). Staff focus on the child's individual needs and ensure that all progress with their learning.

### **1:1 Learning Support Assistant (LSA)**

We are seeking to appoint an enthusiastic, energetic and caring learning support assistant to support individuals or groups of children with high needs across our school. Every day will be different and you will be able to make a difference. You need to be willing to work closely with the SENCO, class teachers, external professionals and parents to adapt planning to suit the specific needs of the children. A calm, patient manner is essential, and experience of supporting children with Special Educational Needs and / or Disabilities (SEND) including autism would be a distinct advantage.

In return, we can offer you a friendly, happy environment as well as children who love to learn. We pride ourselves in our professional development and supporting staff to develop in their careers. The well-being of all is crucial and is a focus of the school.

The children are Central to everything that we do.

Central Primary School is committed to safeguarding children and all staff at the school undergo rigorous pre-employment checks. All applicants invited to interview will be expected to complete a Disclosing and Barring Scheme (DBS) form and other necessary checks before commencing their employment at the school.
