## Cowley Hill Primary School - KS2 Class Teacher

Thank you for your interest in the post of Teacher at Cowley Hill Primary School.

In our most recent OFSTED (October 2021) Cowley Hill Primary School was recognised as a 'Good' school at the heart of the community. We are a fully inclusive school with strong cultural diversity.

We have an excellent, well-equipped and resourced working environment. Classrooms are rich in technology, including their own set of chrome books, and resources to enhance children's learning experiences. We have extensive school grounds, including a large pond with dipping platform and a Forest School area.

Behaviour at the school is excellent, allowing teachers to teach, and pupils to learn. We are constantly evaluating our practices, striving to create the very best learning opportunities for our children. We are a forward thinking school where staff are encouraged to take on responsibility and new challenges in a 'can do' culture.

We have happy and well-behaved pupils who enjoy their learning. Children's self-worth and self-esteem are developed through a strong, praise-based culture. We have a thriving Pupil Parliament made up of School Council, Eco Warriors, Sports Ambassadors and representatives from across the school.

We are looking for a team player whom we will support to develop their practice and future teaching career. We have a really friendly and supportive staff team, who are ready to welcome a new member to our school.

If you want to make a difference to the children you work with and you would like to continue to further your own professional practice then please contact us to arrange a visit and see us in action.

Yours faithfully,

Louise Thomas  
Acting Headteacher.
