About Heath Mount

Heath Mount is one of the oldest Prep Schools in the country, originally founded in 1796 in Hampstead, North London and situated since 1934 in the Grade I listed mansion of the Woodhall Estate. While proud of its heritage and sense of tradition, pupils benefit from forward-thinking teaching methods combined with up to date technologies and unrivalled facilities. Our state-of-the-art 200 seat Performing Arts Centre hosts our drama productions, concerts and guest speakers. The sports hall is fully equipped for gymnastics and indoor games and includes a professional-standard dance studio while the grounds include rugby, football, cricket pitches, netball courts and AstroTurf as well as a swimming pool. The exquisite Grade I mansion is where our Prep school students are based from Year 5 to Year 8. It is also home to the main library, dining rooms, art, pottery, DT and food tech departments, ICT suites and science labs. An adjoining music block provides rooms for individual music lessons. Our Pre-Prep occupies a dedicated modern building with its own library, computing suite, music room and hall in addition to a fantastic adventure playground. Lower School pupils, meanwhile, enjoy their own modern purpose-built block. Children may flexi-board from Year 3 upwards with boys boarding in the main mansion house and the girls boarding in the cosy surrounds of River House in the grounds of the estate.

The Heath Mount Nursery sits adjacent to the Pre-Prep building which houses the Reception classes. Our Nursery pupils enjoy their own modern, fully equipped building with two light and airy classrooms resourced with high quality learning materials and toys. The children have direct access to their own large outside play area with covered terrace and their own 'wild' area Three Bears Wood as well as our magical forest school setting, Stumble Trip Wood.

Award-winning Early Years Provision: In 2021 our EYFS team were awarded the Herts For Learning Early Years Gold Quality Standard in recognition of our outstanding provision. "The school have worked on fostering a love of learning within a happy community, with an emphasis on positive relationships and cooperation, in order to help the children flourish, feel valued and enjoy every day in school."

Values and Pastoral Care: During their time here, children develop a strong moral compass. We expect all our pupils to demonstrate our key values of acceptance, respect, integrity, industry and achievement. Each child's happiness is at the heart of a Heath Mount education. We are committed to enhancing our pupils' emotional, physical and mental well-being, ensuring different needs are supported. The school has a Head of Wellbeing, a full-time school counsellor and a medical team.

A Natural Environment: Children flourish in the beautiful woodland setting where break times are spent happily playing in the woods, making dens or exploring nature. Our Forest School is an integral part of our holistic approach to education and emotional wellbeing in the Early Years Curriculum.
