

Letter from the Headteacher

Are you bored with life? Looking for a new challenge? Have a desire to work in an environment where you can make a 'real' difference to the lives of young people? If so, Southfield School is the right environment for you.

We are a family with approximately 100 pupils. No two students are alike, and no two members of staff are alike. Our pupils all have challenging ASD and associated conditions.

Our school vision is to support all children, so they thrive during their time at Southfield School and are prepared socially, emotionally, and academically for their next steps in education. Collaboration with parents and carers and the entire multi-disciplinary team who support our students is vital and key to our success.

Everyone plays a part in the future of our students with staff skills being used in order that we have a huge range of skill set and expertise. Everyone makes a difference to the lives of our students and families.

We are looking for like-minded, resilient staff who are passionate and who can work in a team.

If you have yet to find what it is that you were meant to do with your life – Southfield School may be what you have been searching for.

Come and join us and make a difference to the lives of children every day.
